**JOIN US LIVE ON THE TODAY SHOW AS WE SHARE GRIFFITH SPRING FEST
WITH AUSTRALIA**

Griffith is set to shine on the national stage as the Today Show's weather segment will broadcast live from the Real Juice Company Citrus Sculptures on Banna Avenue on Wednesday, 16 October.

The Griffith Tourism Team encourages everyone to come along, enjoy the atmosphere, and be part of this special broadcast as we proudly promote Griffith Spring Fest to a national audience.

The broadcast is scheduled to begin at 5.40am, with the final segment wrapping up around 8.40am. Locals and visitors alike are invited to attend and take part in this exciting event.

The iconic Citrus Sculptures will serve as the stunning backdrop for the broadcast as the today Show weather presenter Tim Davies will report live from the site, delivering weather updates while engaging with local residents and visitors.

To keep the early morning crowd fuelled, a coffee van and BBQ breakfast will be available for purchase.

This is a rare chance for Griffith to be featured on one of Australia's most popular breakfast programs, offering the perfect platform to highlight the region's unique character, vibrant events, and welcoming community.
