Real Juice Company Citrus Sculptures back to transform Banna Avenue

Griffith's much-loved Real Juice Company Citrus Sculptures will return to Banna Avenue from Sunday, 11 October 2026, transforming the street into a zesty wonderland until Saturday, 24 October 2026.

More than 800 community members will help assemble one of the region's most iconic displays. Now in their 29th year, the Citrus Sculptures are a signature feature of Griffith Spring Fest, attracting over 50,000 visitors each year. Using more than 100,000 locally grown oranges and grapefruit, the exhibition is the only one of its kind in Australia, celebrating Griffith as the nation's largest citrus-growing region.

Council's Events Coordinator, Izabella Apolloni, said the sculptures are a perfect blend of community spirit and creative flair.

"This year we'll see 60 sculptures take shape, including three brand-new creations alongside favourites such as the grand piano, the reclining chook and the talking robot," Miss Apolloni said.

"Everyone is welcome to roll up their sleeves and help bring the sculptures to life on construction day on Sunday 11 October 2026. It's a morning that really squeezes the best out of our community, with people of all ages working together to create something truly amazing."
